Changing Places Facility

www.changingplaces.org.au

Located in the James Street toilet block, the Changing Places facility provides people with a disability a dignified and purpose-built toilet facility to use when they are out.

The facility features a range of features not available in standard accessible toilets, including an adjustable change table, tracking hoist system and non-slip flooring.

Those eligible to access the facility can order a key from Council or online at www.masterlocksmiths.com.au/mlak for a fee of \$20.
